Speakers Include
Dr. William Moylan, John Mangieri, and Aaron Davis

Dr. William Moylan, PhD, PMP

Our keynote speaker is a professional Project Management practitioner specializing in consulting, training, educating, researching and providing expert witness testimony for Project and Program Management. Dr. Moylan is eager to share his wealth of knowledge and project experience in the areas of new product development, quality improvement, information systems, heavy construction, government, public service, manufacturing and more!

John Mangieri

Author of 2004 top seller "Power Thinking: How The Way You Think Can Change The Way You Lead" and co-author of the "Yale Assessment of Thinking". John offers dynamic leadership development programs to senior-level executives and professionals in all fields at various locations throughout the world. Come learn how he can help you understand and effectively manage the types of leadership styles commonly found throughout the workplace.

Aaron Davis

Known as "The Enthusiator" because of his contagious enthusiasm to equip others to perform like champions and author of the inspiring book "10 Minute Truth's". Aaron delivers powerful and high-energy presentations that are interactive, fresh and yet so simple that anyone can use his tips and techniques to attain greater success professionally and personally! Get ready to be inspired and motivated to take action as a result of Aaron's insights and strategies.
